Principal's Report

As the weather has improved, a large number of primary and secondary students are spending time at the skate park before school unsupervised and in school uniform, sometimes against the wishes of parents and carers. This is unsafe.

The rules of the skate park are clear: Users under 14 years of age must have adult supervision. Without adult supervision, children have reported a range of bullying and swearing taking place, sometimes with skateboards or scooters being taken by others. This does not set students up for a positive day of learning, and damages the reputation of our students regardless of whether they have been involved in these behaviours or not.

We ask that parents supervise any children at the skate park, or remind children that they are not to be at the skate park without supervision. Children are expected to arrive at school on time.

Assembly – change of time

Parents and carers are invited to attend the formal assembly this Friday in the hall starting at 9.15 am to present certificates. Due to the Variety Concert being held next week, there will not be any performances.

Friday Attendance

In the last few weeks there has been a marked increase in student’s absenteeism on Fridays. Unless a student is too sick to be at school, it’s not okay to be away or late. All absences are required by law to be explained.

Due to an increase in absences, there has been a need to refer some students to the Home School Liaison Program. Where attendance does not improve, some families have to attend court.

Twinkle

Thirty Stage 3 students had a wonderful opportunity as they participated in workshops yesterday in preparation to ‘star’ in the production of Twinkle today. They are to be commended for their enthusiasm and hard work.

Variety Concert Rehearsals

Students will need to have costumes available as soon as possible for a full dress rehearsal this Friday, 12 September.

The matinee performance of our annual Variety Concert will be held on Tuesday, 16 September, with two evening performances on Wednesday night. Tickets are on sale at the office for a cost of $1.00 per child and $5.00 per adult. There are no family tickets available, and no tickets will be available at the door.
Born to Read

Infant’s students will walk to the RSL on Thursday, 11 September to participate in the 10th Anniversary celebration of Born to Read to be held at 11.30am. The students will be present at the official launch of author Libby Hathorn’s new book, *A Baby For Loving*. Students will also be treated to a special performance by Little Scallywagz as part of the big birthday celebrations.

Primary students will have the opportunity to meet with Libby Hathorn on Wednesday, 10 September at our school hall.

NAPLAN Results

NAPLAN results for students in Years 3, 5, 7 and 9 where the students participated in at least one test, were handed out last week. Please contact the school if you did not receive results and you know that your child was at school for an assessment.

Parents and carers are invited to attend an information session about NAPLAN at the school library this evening at 6pm. Refreshments are available from 5.30 pm.

P&C Meeting

The P&C meeting will be held next Thursday, 12 June at 7.00 pm in the library. All are welcome to attend.

School Vacation

School finishes for the term next Friday, 19 September. Children and staff return to school on Tuesday, 7 October for Term 4.

Variety Concert

Dear Parents / Carers

We would like to inform you of a very special event coming up, our Annual Variety Concert in week ten on Tuesday 16th September and Wednesday 17th September. On Tuesday we will be holding a Matinee performance from 12.15 pm and on Wednesday there will be two evening performances. The first will be held from 5.30 – 6.45 pm and the second performance from 7.00 – 8.15 pm, held in the school hall. All classes will be performing an item based on this year’s theme about ‘All things Australian’.

Classes are already underway with their preparation for our school’s big event during Education Week. Teachers should have sent home information about their item and any costume requirements required.

If you are having any issues regarding costume requirements please contact your child’s class teacher.

On Wednesday 17th September for the evening performances students are expected to have had an afternoon snack before arriving at school at their classroom. Could you please provide a healthy snack for your child to have between the two performances.

All gates will be closed from 3.30 pm on Wednesday afternoon and only Molong Street gate will re-open from 4.45 pm for students to arrive at classrooms by 5.00 pm to prepare for the evening performances. Students will remain in their classroom with their teacher and this will be the pickup point when you are ready to collect your child at the end of the event.

Information regarding ticket sales are now being advertised, so please keep checking our school bulletin as there will be no ticket sales available at the door.

Also if you know in advance that your child will be unable to attend, please contact your child’s teacher in case they are performing a major role in the item.

We hope to see as many families and friends come along and be entertained by our very talented students.
