Principle’s Report

Welcome to the 2015 school year. We are off to a busy start with our School Leader Assembly held this morning to induct our student leaders.

We welcome Ms Michelle Horvat to our school as Instructional Leader. Ms Horvat is filling the vacancy left by Mrs Goodfellow. She will be working mostly with the K-2 staff and students.

The staff and students have settled very quickly into their new classes. The regular visits from preschool and Head Start has seen our Kindergarten student’s transition successfully to ‘big school’.

Allergy AAA School
this means that children, parents, carers and visitors are asked TO NOT WEAR anything scented as we have children with severe allergies in our school.
Please: NO nuts (including nutella)

SCHOOL BANKING
MONDAYS

There have been a few changes of role, with some teachers moving to full time work, and others sharing their skills across the school. We are fortunate to have the following team working with our students this year:
Mrs Cavallaro and Ms Wright are our Support Teachers, while Mrs King is working with the Reading Recovery program. Mr O’Leary and Ms Sanderson will be working with a range of classes when teachers need to be released or are away.

Ms Marilyn Singh and Ms Dellis Richards are our permanent Aboriginal Education Officers.

We are fortunate to have a number of very capable support staff as well in 2015. They include Mrs Maria Bailey, Mrs Margaret Geeves, Mrs Kath Cowled and Ms Dorothy Davis in the office. Mrs Janet Sloane, Mrs Wendy Dargan, Mrs Joanne Tomlinson, Mrs Joanne Field, Ms Olivia Singh, Ms Stacey Ball, Ms Deborah Coe, Mr Timothy Weatherall and Miss Emma Wykes provide support to students in the classrooms. Mr Mark Whitla will be maintaining our school as our General Assistant.

Allergies and other health issues

Any students who have been identified of a severe allergy and have been prescribed an adrenaline injector needs to have an Action Plan completed by their treating doctor and provided to the school.

Students identified with asthma, diabetes or epilepsy are also being encouraged to provide Action Plans to the school to allow us to better manage your child’s condition whilst at school.

We are a FRAGRANCE FREE school. It is important that students in the primary do not wear any scented deodorants. If students need to bring deodorants to school, these need to be of the roll-on variety, not aerosol.

Emergency Contacts

Each year we find that throughout the year, parents may change their contact details. Sometimes the emergency contact (the person we contact when the parent is not contactable) has changed.

To ensure that we are able to contact you in an emergency, please provide updated phone numbers, addresses and emergency contact details.

Uniform

All students are expected to be in full school uniform at all times. If for any reason this is not possible, please send a note or contact the school. Boys should be wearing grey shorts, grey shirt, grey socks and black shoes. Girls should be wearing a gold shirt, navy skorts or skirt, white socks and black shoes.

Footwear is an important safety item. Good soles provide a sound grip on the floor preventing accidents such as slips, trips and falls from occurring. Footwear can also protect feet from damage caused by accidents such as falling objects. Canvas slip-on shoes do not provide appropriate protection, and generally come off when students are playing games. As such, we ask that parents provide appropriate school shoes or joggers in line with our uniform policy.

Our school has a ‘no hat, play in the shade’ policy. Broad-brimmed hats need to be worn by students when playing in the sun, including for sporting activities. Students who wear a cap will be asked to play in the shade.
Lunches
We are fortunate to have a canteen that offers reasonably priced, healthy foods for students. We remind parents and caregivers that lunches need to be ordered by 9.30 am. The range of food offered is reduced after this time.

Please ensure that any lunches that need to be delivered to school are dropped to the front office before 11.00 am. Students become upset and miss out on play if they have to wait for lunches to be dropped at school. We remind parents that students are not permitted to leave the school grounds to collect lunches.

Helmets required
Students need to wear a helmet when riding a bicycle to and from school. This is a legal requirement. Anyone not wearing a helmet will not be permitted to ride to school and bicycles may be locked away until they have their helmet or an adult collects the bicycle.

Attendance
Last year we managed to improve the overall attendance rate of students from 91.4% in 2013 to 93.3% in 2014. This is a pleasing improvement, however students need to be at school every day unless too ill to attend. It is a legal requirement that an explanation is provided for all absences.

We will continue to implement the “It’s Not Okay to Be Away or Late” program to recognize those students who have terrific attendance.

Holidays not exempt
The following information has been provided to schools:

As part of the implementation of the National Standards, holidays taken by students outside of school vacation periods will now be included as absences. A Certificate of Exemption can no longer be granted for this purpose.

Families are encouraged to holiday or travel during school vacations. If travel during school term is necessary the following considerations apply:

- If the principal accepts the reason for the absence, the absence will be marked as “L” (leave).
- If the principal does not believe the absence is in the student's best interests and does not accept the reason, the absence will be recorded as “A” (Unacceptable).
- If the period of absence is in excess of 50 days, the student may be eligible to enrol in Distance Education . . . For that period the student’s enrolment transfers to the distance education school.

Swimming Carnival
Our annual swimming carnival is planned for this Friday, 13th February. All students in Years 3 – 6 are expected to attend the carnival as this is a school day and part of the school curriculum. We advise parents that students are not permitted to stay home on the day of the carnival.

Students in Year 2 who turn 8 years old by the end of this year and can swim 25 metres are also able to participate.

Notes have been sent home and need to be returned as soon as possible. We would appreciate any assistance that parents are able to give at the carnival.

Sports Captain Elections
The election of captains and vice captains for our four sports houses took place at the end of 2014, with these students being inducted as school leaders this morning. Our congratulations go to the following students.
