Principal’s Report

Student half-yearly reports were sent home yesterday. Please contact the school if you did not receive your child’s report.

In the last couple of years, there have been some changes in the way in which English and Mathematics are reported.

The expectation across the state for primary students is that there will be an overall English grade and a comment. We understand that this may make it more difficult for parents to identify how well a child is performing in specific areas, such as reading, writing or talking and listening.

Mathematics is now broken into three areas, instead of five as in previous years. Grades are provided for number and algebra, measurement and geometry, and statistics and probability. There is also an overall grade for mathematics.

Parents are reminded that a C grade is one that is at the grade expected level. It means: *The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.*

When you receive your child’s report, please take the time to read the explanation of the grades. The explanations provide a good deal of information around what a student can do.

Three-Way Interviews

To assist in better understanding how your child is performing at school, parents are invited to participate in a Three-Way Interview with the teacher and child on either Wednesday, 17 June or 24 June.

Good Luck Molly

Molly Stubberfield will be representing Condobolin Public School at the NSW Inter-schools Equestrian Trials at the Sydney International Equestrian Centre, Parramatta, on Wednesday, 17 June to Monday, 22 June. Molly will be competing in the All Primary Division (K - 6) in the events of show jumping, dressage, cross country and hacking. This is a six-day event that attracts over one thousand competitors.

Molly will be attired in white shirt, blue blazer and tweed, jodhpurs, high-top boots and rider’s helmet. Her 16-hand horse, Boganvilla Bazil, will wear a blue saddle cloth, saddle, bridle, boots and plaited tail.

Molly’s recent accolade has been to win her age division, 9-13 years, at West Wyalong Stock Horse National for 2015.

We wish Molly the best of luck at the NSW Inter-schools Equestrian Trials in the next week.

Athletics Finals

Our annual athletics carnival will be held on this Friday, 19 June. This is a school day that all students are expected to attend. Children are asked to be at school by 9.00 am to allow rolls to be marked and events to begin on time. Parents and carers are invited to join students to cheer students on. The canteen will be operating, with children encouraged to place orders to ensure that they are able to eat lunch within the 20 minute lunch period. The more helpers that are available in the canteen means that parents will be able to see their children compete in events.

Students will need to have a hat, water bottle, school jumper, and wear sensible sports shoes and either their sports uniform OR their house colours to the athletics carnival. The house colours are:

- Gilmore - yellow
- Kendall - blue
- Lawson - red
- Paterson - green

The discus finals are due to be held tomorrow, however if we cannot hold these due to rain, the finals will be held on Thursday, 18 June. Students aged 8, 9 or 10 years of age competing in the finals will do so in the middle session. Older students are expected to compete in the morning.

As shot put is an event where we would like competitive students to have three throws, finals will be held on the day of the athletics carnival. A second circle will be run for those wishing to have a throw, but who may not be in the finals.

In the event that wet weather causes us to postpone our carnival, normal lessons will be held this Friday and the carnival will be held next Monday, 22 June.

Our school will be able to nominate up to two students for each of the track events and one student for each field event for the Lachlan Zone PSSA Athletics Trials.

Keep Warm

Please remind your child to have a warm school jumper or jacket with them at all times. Often, when children leave home they are quite warm and do not think about how cold it may be on the playground.

5 – 12 JULY 2015
Handwriting can be a difficult skill and requires a healthy amount of practice. Students in 3/4F are mastering penmanship with their good handwriting skills including correct letter formation, pencil grip, paper placement, and body posture. Students are learning about cursive writing – which is simply "joined-up" writing. One of the benefits of cursive writing includes increasing the speed of writing. Children who write quickly generally get more words on the page and produce better quality content. In these samples, children have been learning to join vowels with the letter ‘f’. The more students practice combinations and patterning such as this, the sooner the neuro-motor pathways of the brain and body make them automatically known. The following handwriting samples have been collected from 3/4F students Corey, Jessica, Jake, and Jiya.
