Principal's Report

Welcome to the 2016 school year. Yesterday afternoon, students in Years 1 to 6 enjoyed a visit from two members of the Manly Sea Eagles team, Brad Parker and Billy Bainbridge.

The staff and students have settled very quickly into their new classes, including our Kindergarten students who started ‘big school’ yesterday.

We are fortunate to have the following team working with our students this year:

KO Miss Owen  
KS Ms Seagrott  
K6L Mrs Lynch  
1J Mrs Jones (Assistant Principal, K-2) 
1P Ms Porter  
2B Miss Buerckner  
2D Miss Dobbie  
3F Mrs Fyfe (Assistant Principal, Yrs 3-4) 
3K Mrs King  
3/4C Miss Cooper  
4B Mrs Bartlett  
5S Miss Shipway 
5/6P Mrs Packham  
6R Miss Richards

Library: Mrs L’Estrange (Assistant Principal, Yrs 5-6 + Support Class)  
Computers: Miss Wykes  
Release: Mrs Worthington

Mrs Cavallaro and Ms Wright are our Support Teachers, while Mrs Thompson is working with the Reading Recovery program. Mr Davis and Miss Davis will be working with a range of classes when teachers need to be released or are away.

Ms Marilyn Singh and Ms Dellis Richards are our permanent Aboriginal Education Officers.

We are fortunate to have a number of very capable support staff as well in 2016. They include Mrs Maria Bailey, Mrs Margaret Geeves, Mrs Kath Cowled and Ms Dorothy Davis in the office. Mrs Janet Sloane, Mrs Wendy Dargan, Mrs Joanne Tomlinson, Mrs Joanne Field, Ms Olivia Singh, Ms Carol Dunn, Ms Deborah Coe, Mr Timothy Weatherall, Miss Emma Wykes and Miss M’Liss Reardon provide support to students in the classrooms. Mr Steve Mansur will be maintaining our school as our relieving General Assistant.

Allergies and other health issues

Any students who have been identified of a severe allergy and have been prescribed an adrenaline injector needs to have an Action Plan completed by their treating doctor and provided to the school.
Students identified with asthma, diabetes or epilepsy are also being encouraged to provide Action Plans to the school to allow us to better manage your child’s condition whilst at school.

We are a FRAGRANCE FREE school. It is important that students in the primary do not wear any scented deodorants. If students need to bring deodorants to school, these need to be of the roll-on variety, not aerosol.

Head lice are about

During the holidays, your children have spent time with other young friends and relatives from other locations. Sometimes this allows for head lice to be spread to a clean scalp. Could you please check for, and treat, any of these nasties as soon as possible. It is only through vigilance, and ensuring that all eggs are removed from treated hair that head lice can be kept under control.

Healthy Food

Parents and carers are asked to provide a healthy lunch option in student lunch boxes. Chocolate, lollies and soft drinks are not to be brought to school, but best kept for after school.

Ours is a Crunch and Sip School. Fruit break occurs at approximately 10.00 am, with students asked to bring along a piece of fresh fruit or vegetable. Students are encouraged to bring a water bottle to school. When selecting water bottles, please check that the lid does not leak when placed in school bags. There have been a few flooded bags in the past week.

Lunch is held at 11.10 am and recess is at 1.35 pm - Students should bring a sandwich, or healthy alternative for lunch. Due to the numbers of students with nut allergies, we ask that parents not send peanut butter or nutella on any food items.

Breakfast Club operates each morning from 8.40 am to 9.00 am. All students are welcome to attend. We are fortunate that this program is supported by Red Cross.

Emergency Contacts

Each year we find that throughout the year, parents may change their contact details. Sometimes the emergency contact (the person we contact when the parent is not contactable) has changed.

To ensure that we are able to contact you in an emergency, please provide updated phone numbers, addresses and emergency contact details.

New Teachers: Miss Renee Cooper, Mr Nathan Davis, Miss Alicia Davis, Miss Anneliese Dobbie & Miss Stevie Wykes

Lunches

We are fortunate to have a canteen that offers reasonably priced, healthy foods for students. We remind parents and caregivers that lunches need to be ordered by 9.30 am. The range of food offered is reduced after this time.

Please ensure that any lunches that need to be delivered to school are **dropped to the front office before 11.00 am**. Students become upset and miss out on play if they have to wait for lunches to be dropped at school. We remind parents that students are not permitted to leave the school grounds to collect lunches.
Uniform
All students are expected to be in full school uniform at all times. If for any reason this is not possible, please send a note or contact the school. Boys should be wearing grey shorts, grey shirt, grey socks and black shoes. Girls should be wearing a gold shirt, navy skorts or skirt, white socks and black shoes.

Footwear is an important safety item. Good soles provide a sound grip on the floor preventing accidents such as slips, trips and falls from occurring. Footwear can also protect feet from damage caused by accidents such as falling objects. Canvas slip-on shoes do not provide appropriate protection, and generally come off when students are playing games. As such, we ask that parents provide appropriate school shoes or joggers in line with our uniform policy.

Our school has a ‘no hat, play in the shade’ policy. Broad-brimmed hats need to be worn by students when playing in the sun, including for sporting activities. Students who wear a cap will be asked to play in the shade.

Helmets required
Students need to wear a helmet when riding a bicycle to and from school. This is a legal requirement. Anyone not wearing a helmet will not be permitted to ride to school and bicycles may be locked away until they have their helmet or an adult collects the bicycle.

Attendance - “It’s Not Okay to Be Away or Late”
Last year we managed to maintain an overall attendance rate of students of about 92%. It is important that students are at school every day unless too ill to attend. It is a legal requirement that an explanation is provided for all absences. To be considered for a banner award at the end of the year, students will need to have all absences explained and accepted (justified) as well as receive all PBL certificates.

Holidays not exempt
The following information has been provided to schools:

As part of the implementation of the National Standards, holidays taken by students outside of school vacation periods will now be included as absences. A Certificate of Exemption can no longer be granted for this purpose.

Families are encouraged to holiday or travel during school vacations. If travel during school term is necessary the following considerations apply:

- If the principal accepts the reason for the absence, the absence will be marked as “L” (leave).
- If the principal does not believe the absence is in the student’s best interests and does not accept the reason, the absence will be recorded as “A” (Unacceptable).
- If the period of absence is in excess of 50 days, the student may be eligible to enrol in Distance Education. For that period the student’s enrolment transfers to the distance education school.

Swimming Carnival
Our annual swimming carnival is planned for this Friday, 12th February. All students in Years 3 – 6 are expected to attend the carnival as this is a school day and part of the school curriculum. We advise parents that students are not permitted to stay home on the day of the carnival.

Students in Year 2 who turn 8 years old by the end of this year and can swim 25 metres are also able to participate.

Notes have been sent home and need to be returned as soon as possible. We would appreciate any assistance that parents are able to give at the carnival.

Student Leaders
The election of captains and vice captains for our school and four sports houses took place at the end of 2015 with the following students announced on Presentation Day.

Compulsory School Attendance
Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend, school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:
- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Gives students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:
- Being sick, or having an infectious disease
- Having an unavoidable medical appointment
- Being required to attend a recognised religious holiday
- Exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances, students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.
My child won’t go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and seek help. Strategies to help improve attendance may include a referral to the school’s learning and support team or having your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conference

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to be held in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child’s attendance at school.

- Application to the Children’s Court – Compulsory Schooling Order

If your child’s attendance at school remains unsatisfactory, the Department may apply to the Children’s Court for a Compulsory Schooling Order. The Children’s Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child’s full participation at school. In circumstances where a breach of compulsory schooling orders occurs, further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfill their life opportunities.
